

MANHATTAN FRAME

Recommended Tools/Materials

- Hammer
- Nail

This Product Includes

- Manhattan frame

Installation Instructions

1. Place frame face down on a protected surface.
2. Remove magnetic plexi glass insert.
3. Position your image in the mat window opening.
4. Place magnetic plexi glass insert back on the frame.
5. Hammer the nail $\frac{3}{4}$ of the way into desired wall location and hang frame so it is flush against the wall, positioning frame on built-in notch for extra security.
